RE: University of Arizona Medical Center
29th El Tour de Tucson
presented by Century Link

Rene:

We would like to offer our most sincere gratitude to Jeanne, Terrill, Velma, Rita, Anita, Jess, Martha, Dawn, Rene', RJ, Liz, Pam and the entire Cakes for Causes Team! Your support and participation in the 2011 El Tour de Tucson was truly outstanding, and tasty as well!

We are very pleased to enclose a contribution in the amount of \$500.00 to your establishment in the hopes of contributing to the continued success of your organization and everything that you have to offer the Tucson community.

If you have any comments, concerns or questions please feel free to share them with us. We would be extremely honored to work with your organization again for upcoming events as well.

Most sincerely,

Michele Wyatt
