Dear Bakers -

Can I even put words together to express my thanks for your donation of 4 dozen of the most beautiful dog themed cupcakes ever baked to my one-woman fundraiser for Cold Wet Noses. I am sure that all the decorations and food and fine silent auction items were a major factor in raising money, but I can't tell you how people gathered around those unbelievable cupcakes! They got all mushy and opened their wallets. I swear it is your fault that \$2394 got raised - well over my goal. Thank you so much for your talent and obviously warm hearts!
