

CAKES FOR CAUSES

MARCH 2015

WHAT HAPPENED LAST MONTH!

Our bakers were very busy last month providing sweet treats to non-profits in the Tucson and Phoenix communities. Some of the non-profits served last month and some of the sponsored teaching classes included: Tucson Symphony Orchestra, Phoenix Youth Symphony, Gospel Rescue Mission, Operation Proud to Serve, Hope Women's Center (Phx), Erik Hite Foundation, PAWS, The Loft Cinema, Kid's Club and Icing on the Cake Club.

You've Been Caked for Kindness!

This monthly program recognizes the hard work and dedication of an individual working or volunteering at a non-profit (IRS tax-exempt status required) organization.

The purpose is to honor the individual, and it's typical for us to provide a dozen cupcakes or a small cake. If you wish to have it as part of a larger event where everyone could get a sweet treat, please put in an [event request](#) instead.

To make a nomination, please go to the link below and complete the form.

MEET ONE OF OUR NON-PROFIT ORGANIZATIONS!

ST. BALDRICK'S FOUNDATION

The St. Baldrick's Foundation is a volunteer-driven charity dedicated to raising money for life-saving childhood cancer research and funds more in childhood cancer grants than any organization except for the U.S. government. The first St. Baldrick's event took place at Jim Brady's Bar and Restaurant in New York City. What began as a challenge between three friends on March 17, 2000, has grown into the world's largest volunteer-driven fundraising opportunity benefiting childhood cancer research.

Since the Foundation's first grants as an independent charity in 2005, St. Baldrick's has funded more than \$154 million to support the most brilliant childhood cancer research experts in the world.

ASK A BAKER!

Q: *How do I get cupcake pans out of the oven without sticking my oven mitt into a cupcake?*

A: Here are two ways to avoid sticking your oven mitt into a cupcake! 1) you can put the cupcake pan on top of a cookie sheet to bake; OR 2) Use tongs to pull the cupcake pan to the edge of the oven rack to get a better grip on it when you take it out.

DID YOU KNOW?

Did you know that you can use Kool-Aid to color pasta?!

Take 2 cups of dried pasta and put into a gallon bag that seals (Ziploc). In a separate container, take 1/8 cup of very warm water and add a packet of no sugar Kool Aid and dissolve the Kool Aid. Add food coloring to this mixture for a deeper color. Add the Kool Aid mixture to the bag of pasta, seal, and mix in the bag. Once color is distributed, then pour pasta out onto a cookie sheet with parchment paper on it. Make sure pasta is in a single layer. Air dry. Pasta will smell like the Kool Aid.
