FIRST PLACE BAKERY AWARD!

"We are SOOOO excited to announce that, for the second year in a row, we won the Celebrity's Choice First Place "Bakery" Award at Rincon Rotary Club's Tucson Taste of Chocolate 2015!!!! What a delicious event, and the proceeds will benefit local educational initiatives. A win-win for everyone!! This year our Miss Jeanne created decadent dark Chocolate Turkish Coffee Petit Fours, and won the taste buds of the celebrity judges, including Andi Berlin, Digital Food Editor of the Arizona Daily Star, and our very own MAYOR of Tucson, Jonathan Rothschild!!! (Nothing quite as nerve racking as watching the Mayor sample your sweets, lol.) Thank you, thank you to the judges!! To find out more about the Rincon Rotary and the work they do for our community, go to www.rotarylocal.org . Thank you again to the Rincon Rotary for inviting us to take part in this FABulous event!"

MEET ONE OF OUR NON-PROFT ORGANIZATIONS!

GOSPEL RESCUE MISSION

The Gospel Rescue Mission is not just about food, shelter or clothing...but much more. The Rescue Mission in Tucson has been a relief for those caught in the shackles of homelessness and addiction for over 60 years. Cutting through the chains of circumstances that bind these men and women, reestablishing them on the road to freedom and hope. Their mission is: *To become the most effective life changing ministry in Tucson that serves the homeless and needy by providing for their spiritual, physical, emotional, and mental wholeness through the power of Jesus Christ.*

Each day the Rescue Mission houses, feeds and ministers to hundreds of men, women and children in Tucson. Through faithful ministers, volunteers, and the facilities God has provided through faithful contributions just like yours, we are able not only to meet the physical needs of these precious souls, but also to meet their spiritual, educational and job related needs also.

ASK A BAKER!

Q: ***Is there a difference in baking when using a glass pan versus metal pan?***

A: Glass pans will take longer to bake than a metal pan. Glass pans distribute heat uniformly but metal pans conduct heat better. It is best to use the type of pan that they recipe calls for to get the best results.

Information obtained from the following: http://www.myrecipes.com/how-to/cooking-questions/glass-vs-metal-baking-pans
