Dear Rene:

Please accept my most sincere appreciation for your outstanding generosity in support of the recent 12th Air Force Anniversary Commemoration!

We had lots of airmen, families and visiting dignitaries enjoy the Hangar Party and Gala dinner. It was your support that allowed the planning committee to organize such a special event - the cakes and cupcakes were fabulous! Please forward my thanks to all the others on "Team Cake & the Frosting Rangers" who worked so hard to make this happen.

The more I interact with the fine men and women of our military the more I am glad there are people like you out there willing to support them and their families.

Sincerely,

Ben Buehler-Garcia, Principal
