Dear Cakes for Causes Team,

Thank you very much for the donation of the wonderful desserts and amazing Safe cake for the 7<sup>th</sup> Annual Dream Night Prom for teens with cancer, held Saturday, March 10, 2012 at the Downtown PCC campus. The Dream Night Prom afforded a magical and very healing experience for the nearly 100 guests who participated. Thank you for capturing the teen's vision of Secret agent theme. You managed to "WOW" them with your creativeness. Thank you for your hard work and dedication to make the Dream Night Prom a success. As you know the teens really enjoyed your goodies!

One guest had been trying to attend prom the last four years but his treatment and subsequent illness had prevented him from attending, he finally made it this year and of course he was chosen prom king. Our prom queen has been dealing with the effects of a brain tumor most of her life.

Cancer remains the number one disease killer of America's children, in Southern Arizona about 60 children a year are diagnosed with cancer. Over 12,400 children in the U.S. are diagnosed with cancer each year.
